HI, we're GIULIO e MARCO

A friendship that quickly developed turned into a collaboration. In STUDIO MAIGIU we reconcile our passions, we broaden our knowledge and we collaborate with a single purpose: to be able to made available to each customer the best of our know-how for each specific need. And if you don't ask us, we'll push ourselves even further.

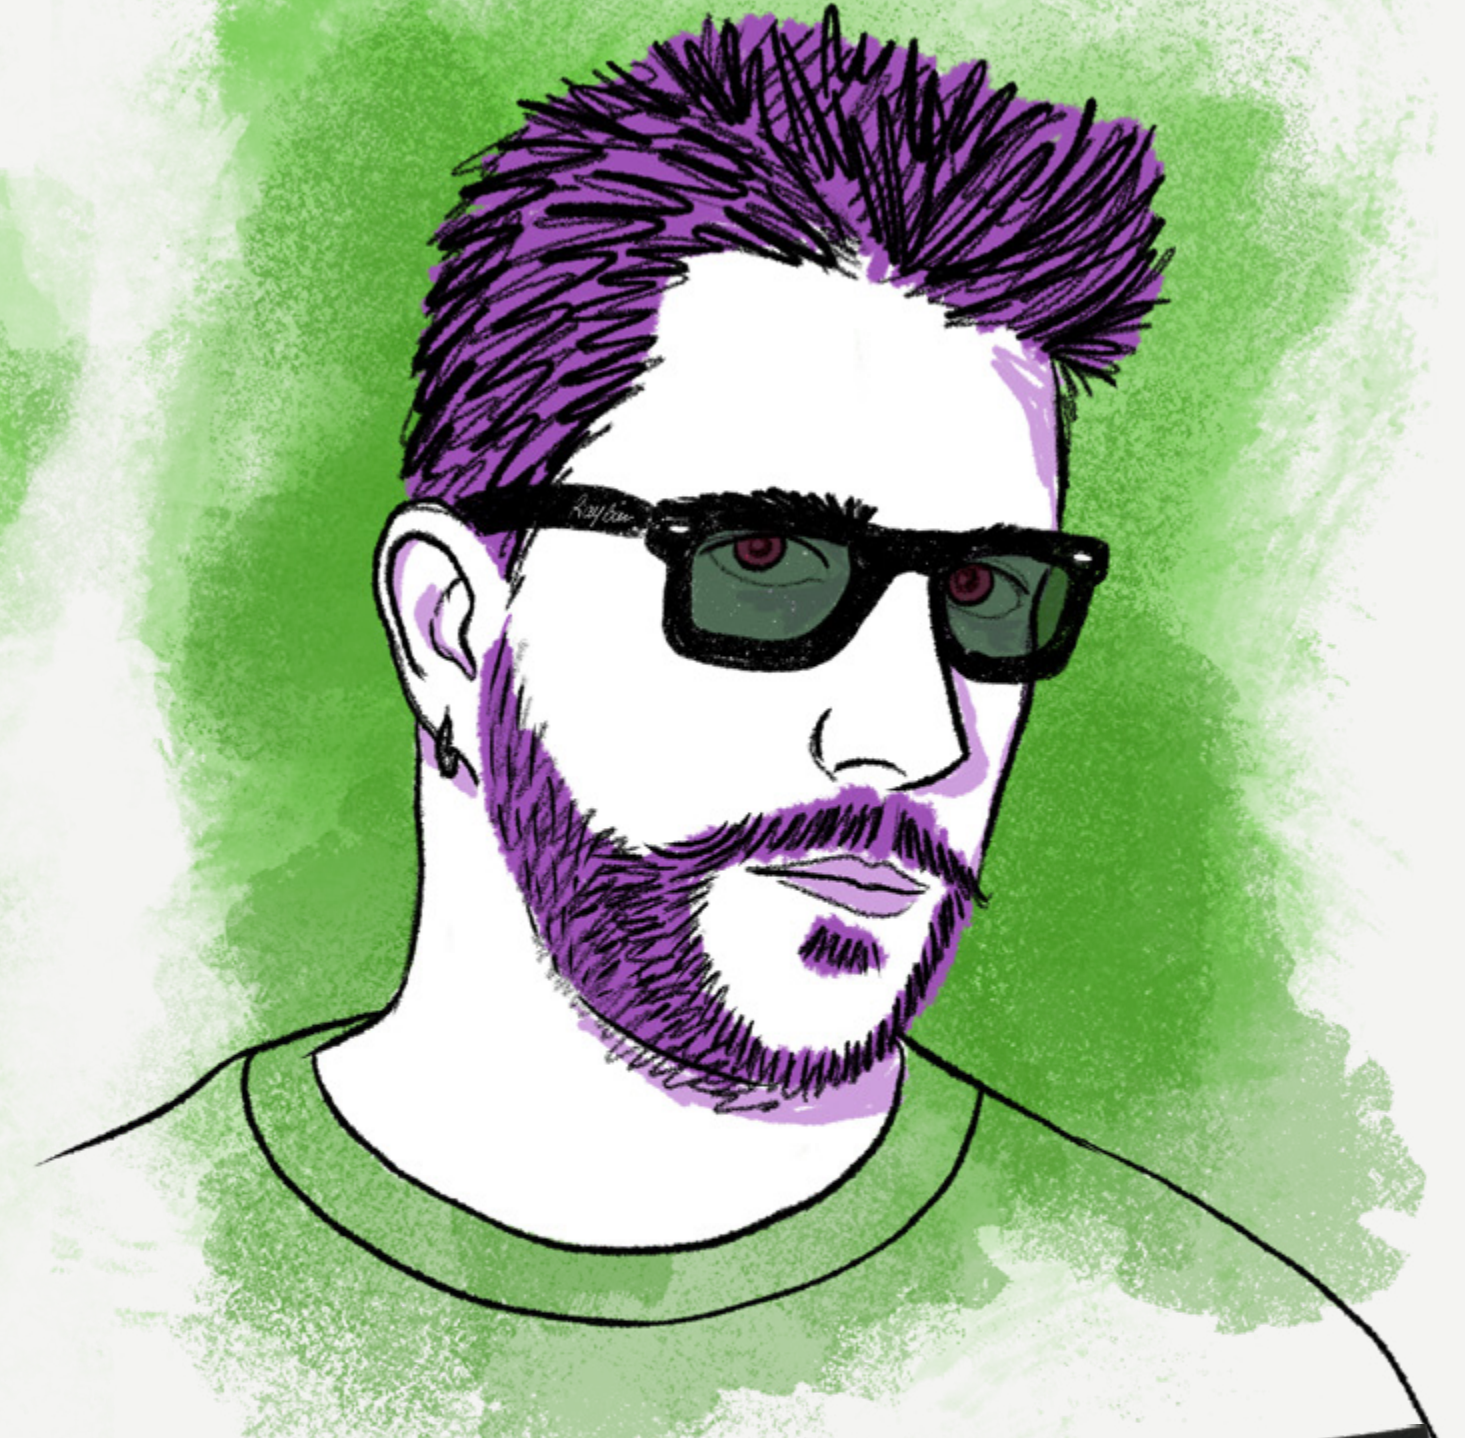

MEETING WITH THE TEAM

Twenty years: it's not ours age, but the sum of the years of experience that they bring us together.

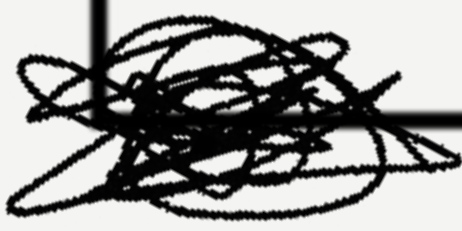

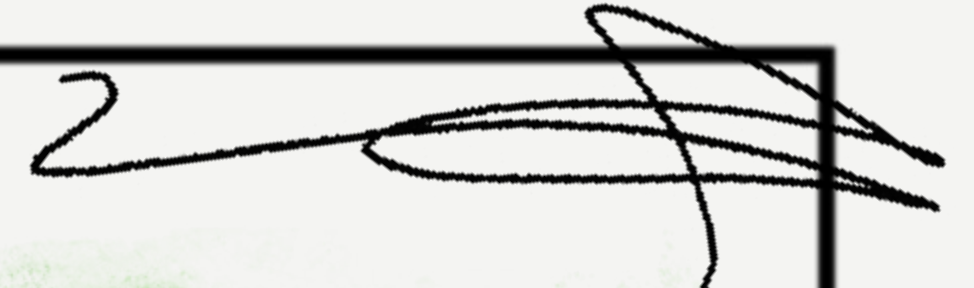

The development of a project is the union of the best we can offer and what the customer is looking for. And if it shouldn't be enough, our network of professionals assists us in reaching the highest standard on the market.

WHAT

WE DO

OUR SERVICES

In a family, each member has his own task and, as in the longest-lived families, every professional to ours internal is always an example for others. Here are the services we offer for your company.

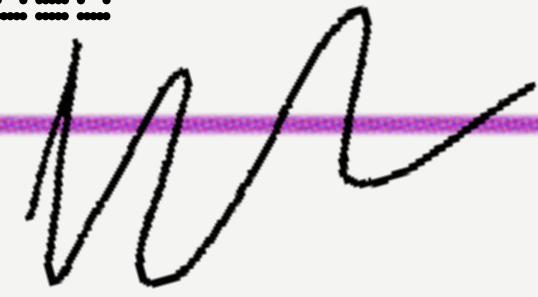

ART DIRECTION

We're all about creating
a vibe in communication.

It's the core of what we do: we dive deep
into goals, identity, and who's tuning in.
Through a strategic groove, we cook up a
creative concept that vibes uniquely and
seamlessly with the client's vision.

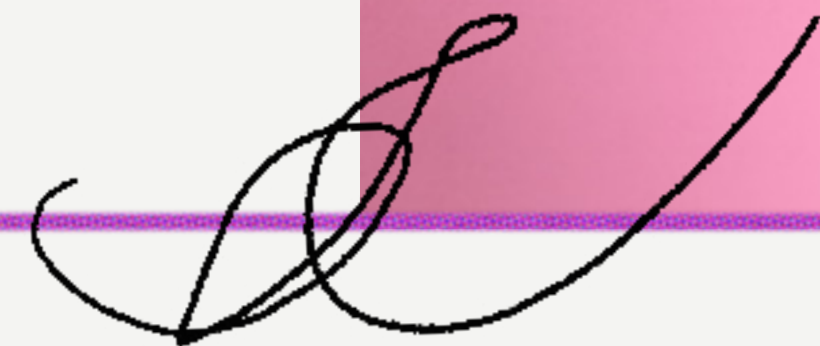

OTHER

PHOTOGRAPHY

The quintessence
of the image.

We identify the Client, understand his requests and produce the best possible photograph for each of his requests. Through a careful study of the brand, the location and the product, we are able to collaborate with each reality until the achievement of the objectives goals we have set ourselves.

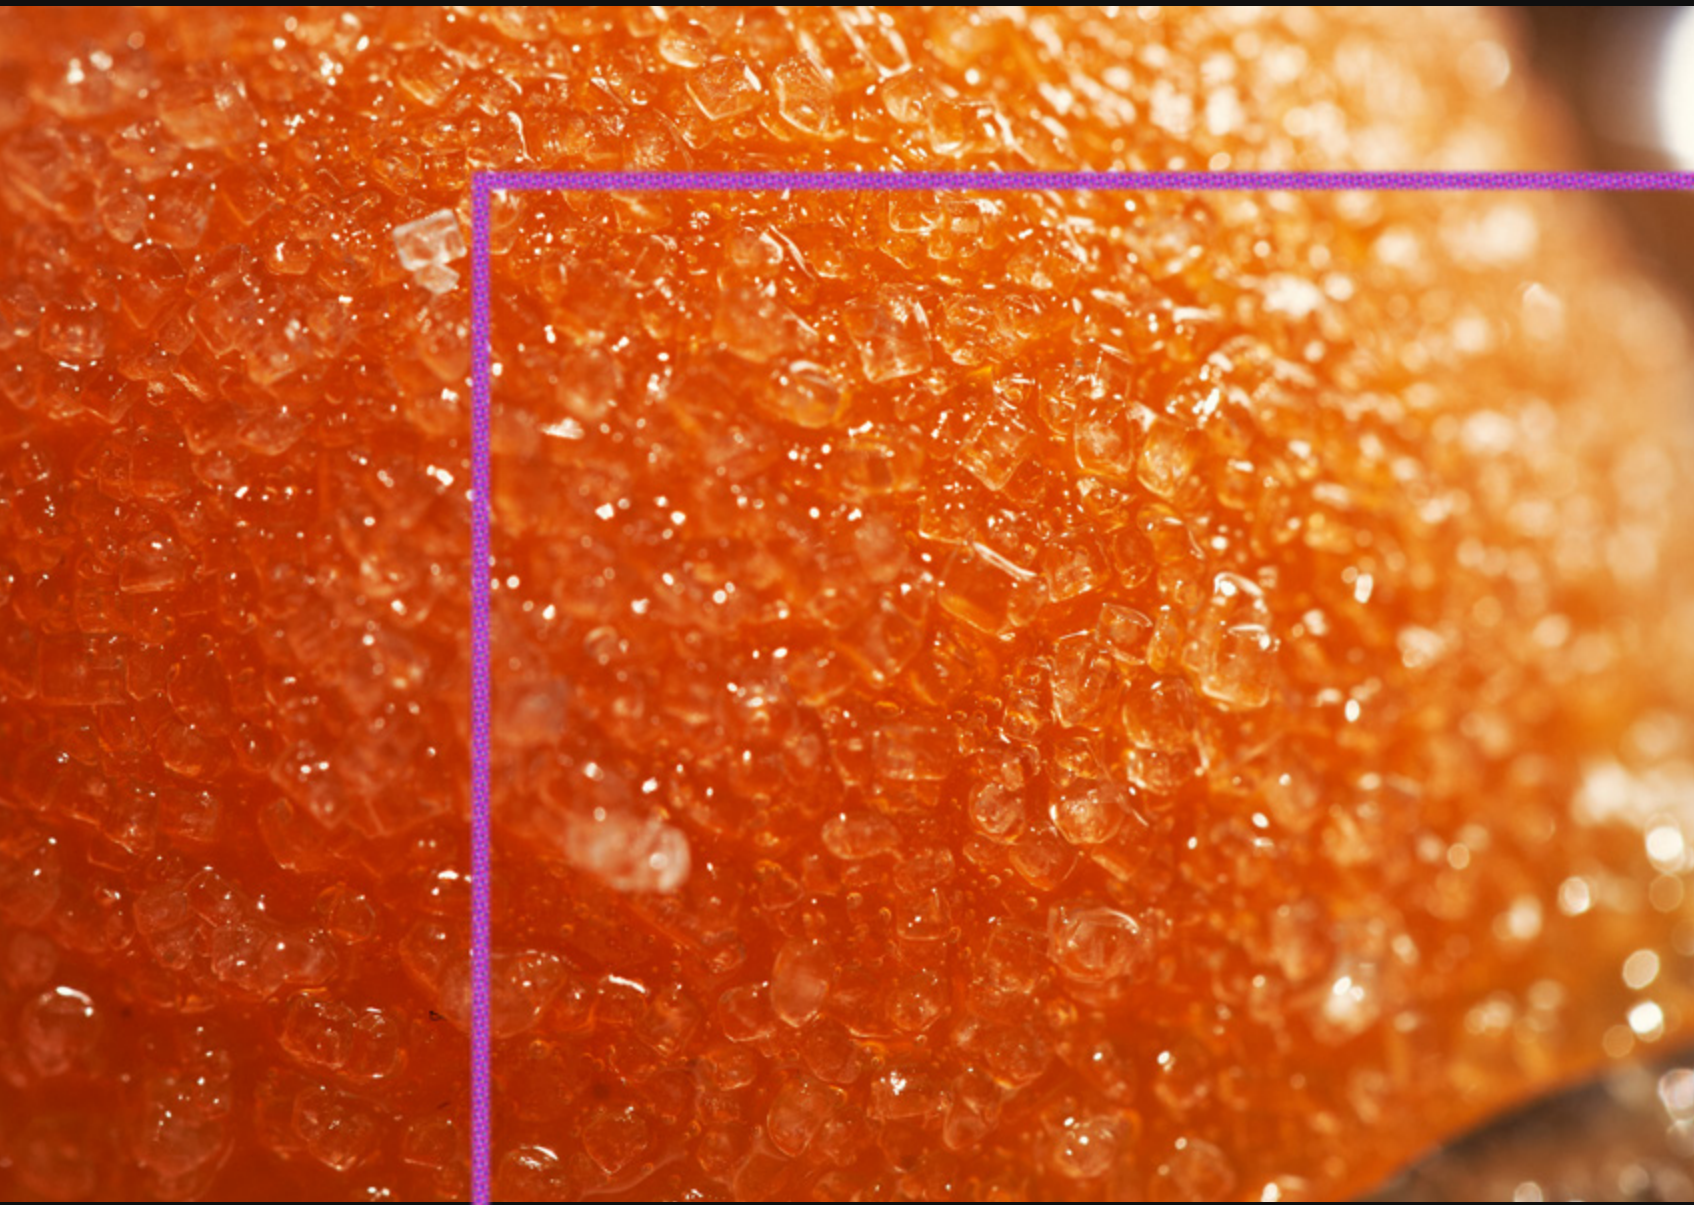

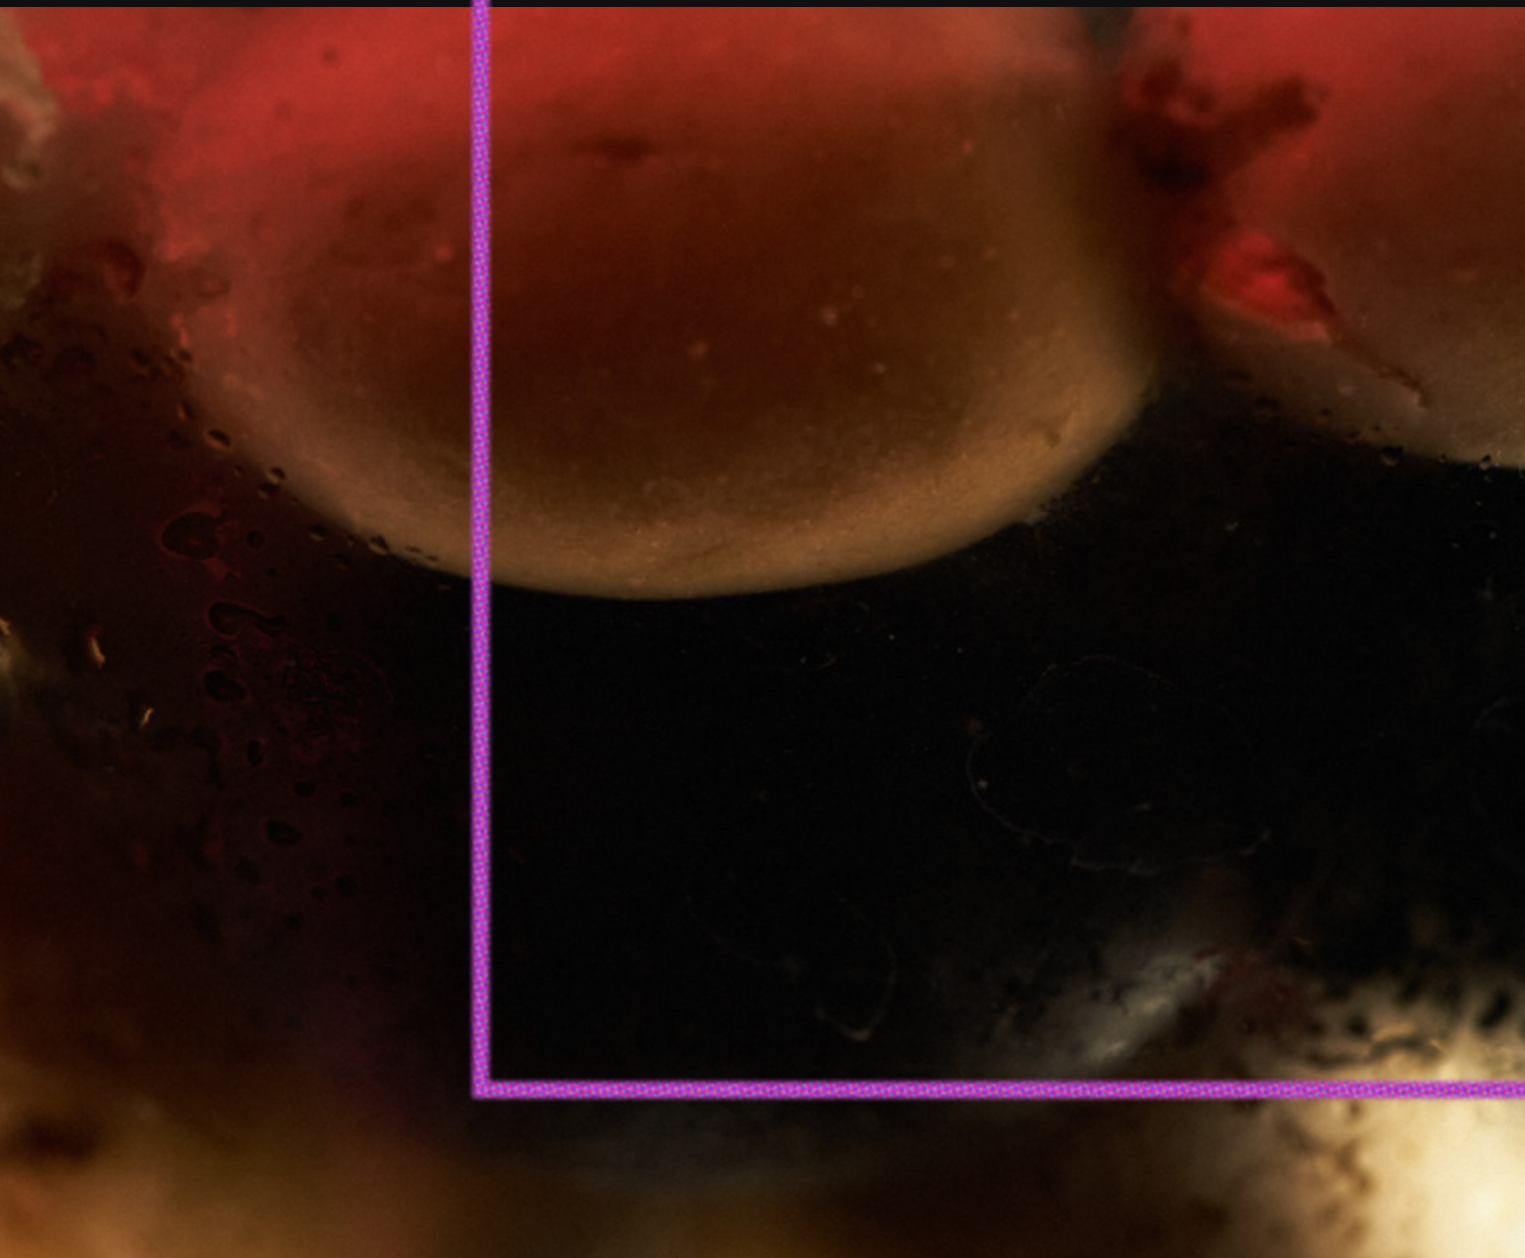

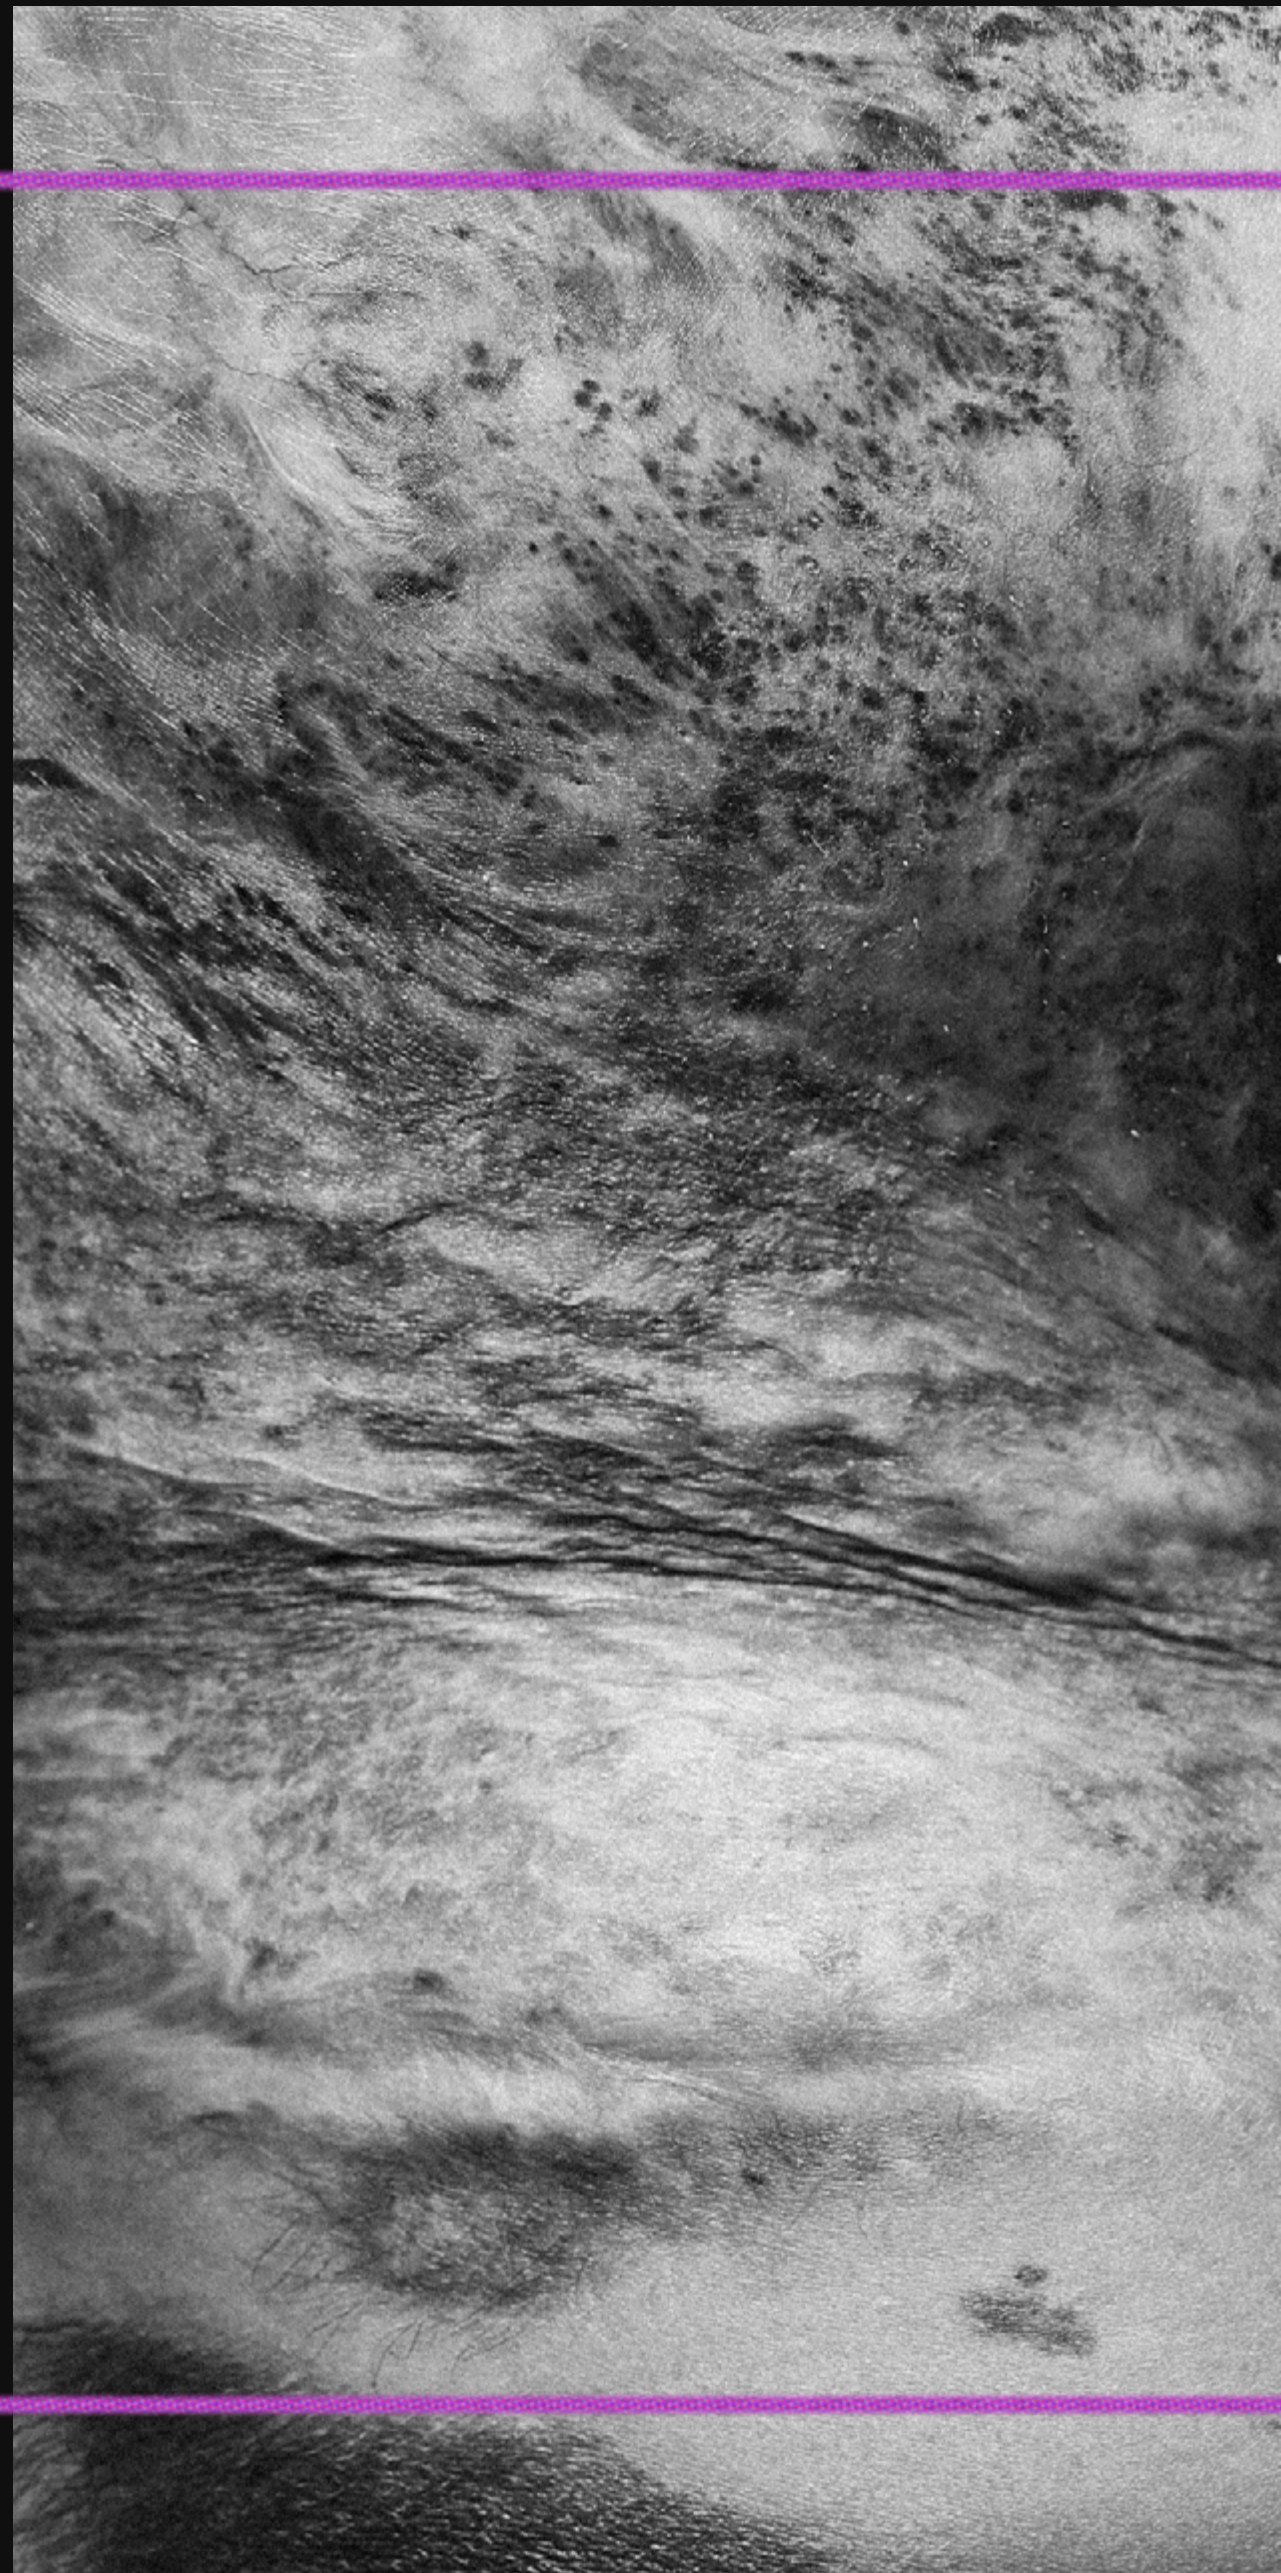

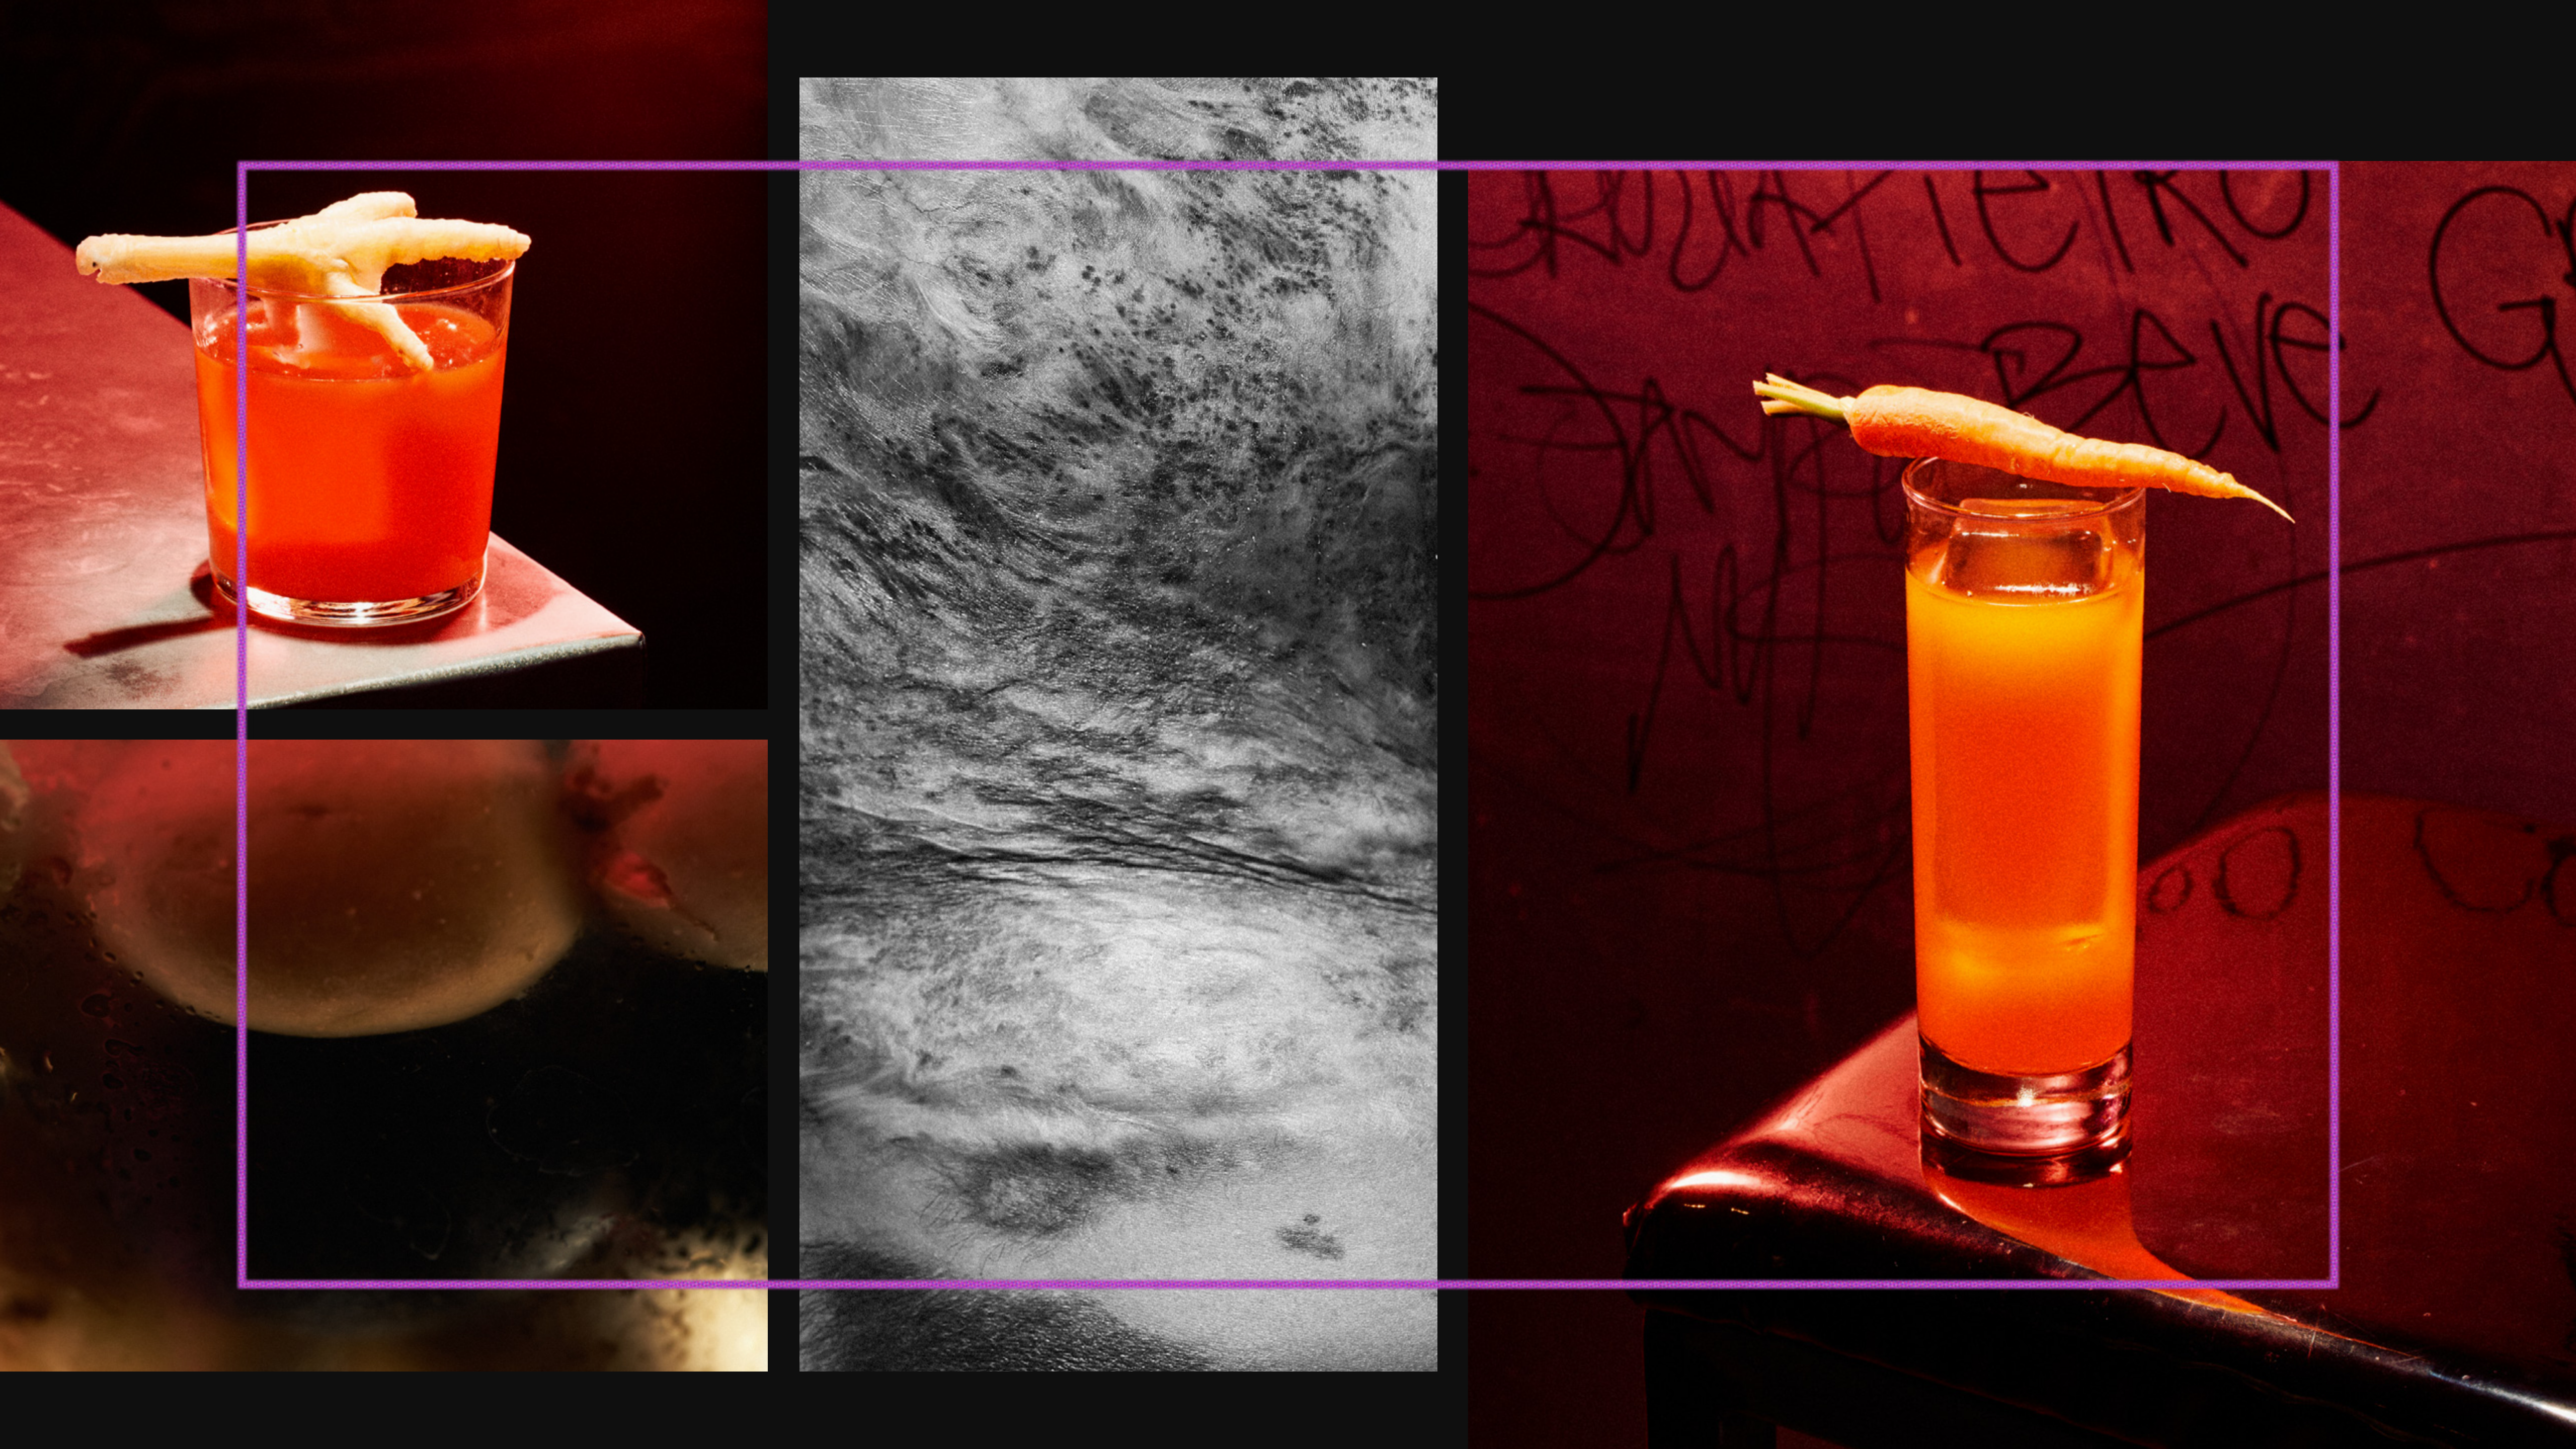

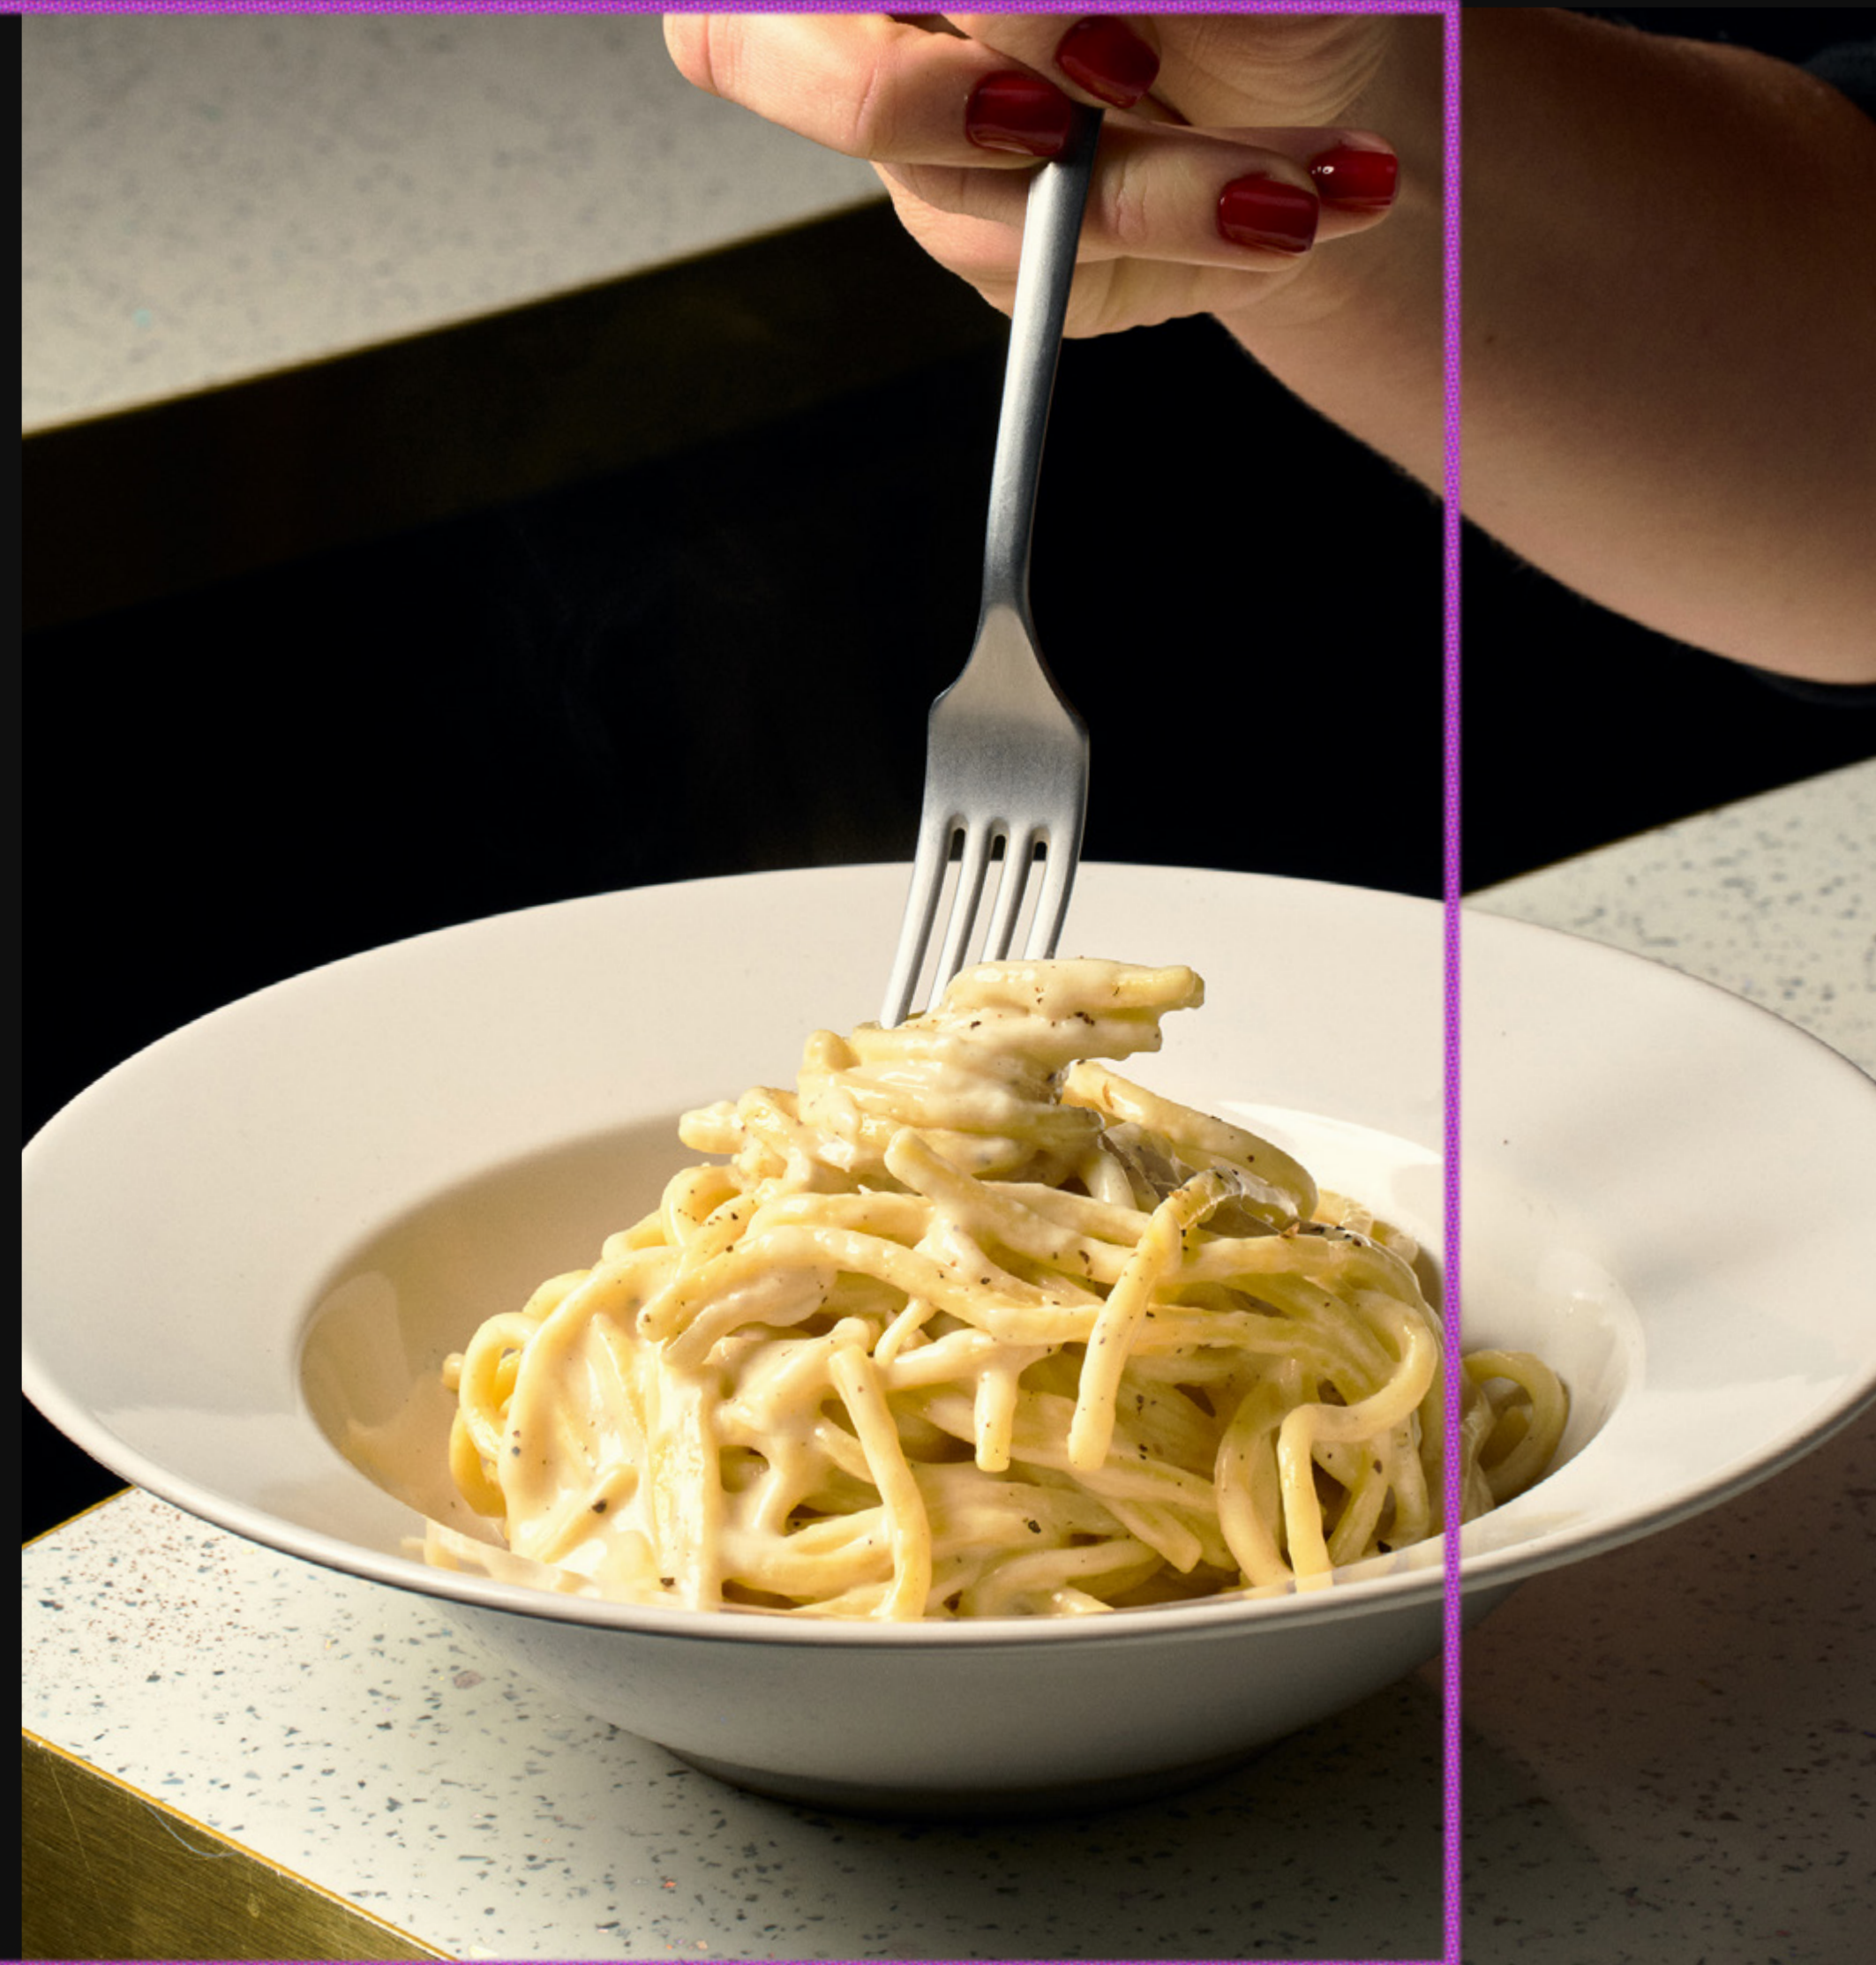

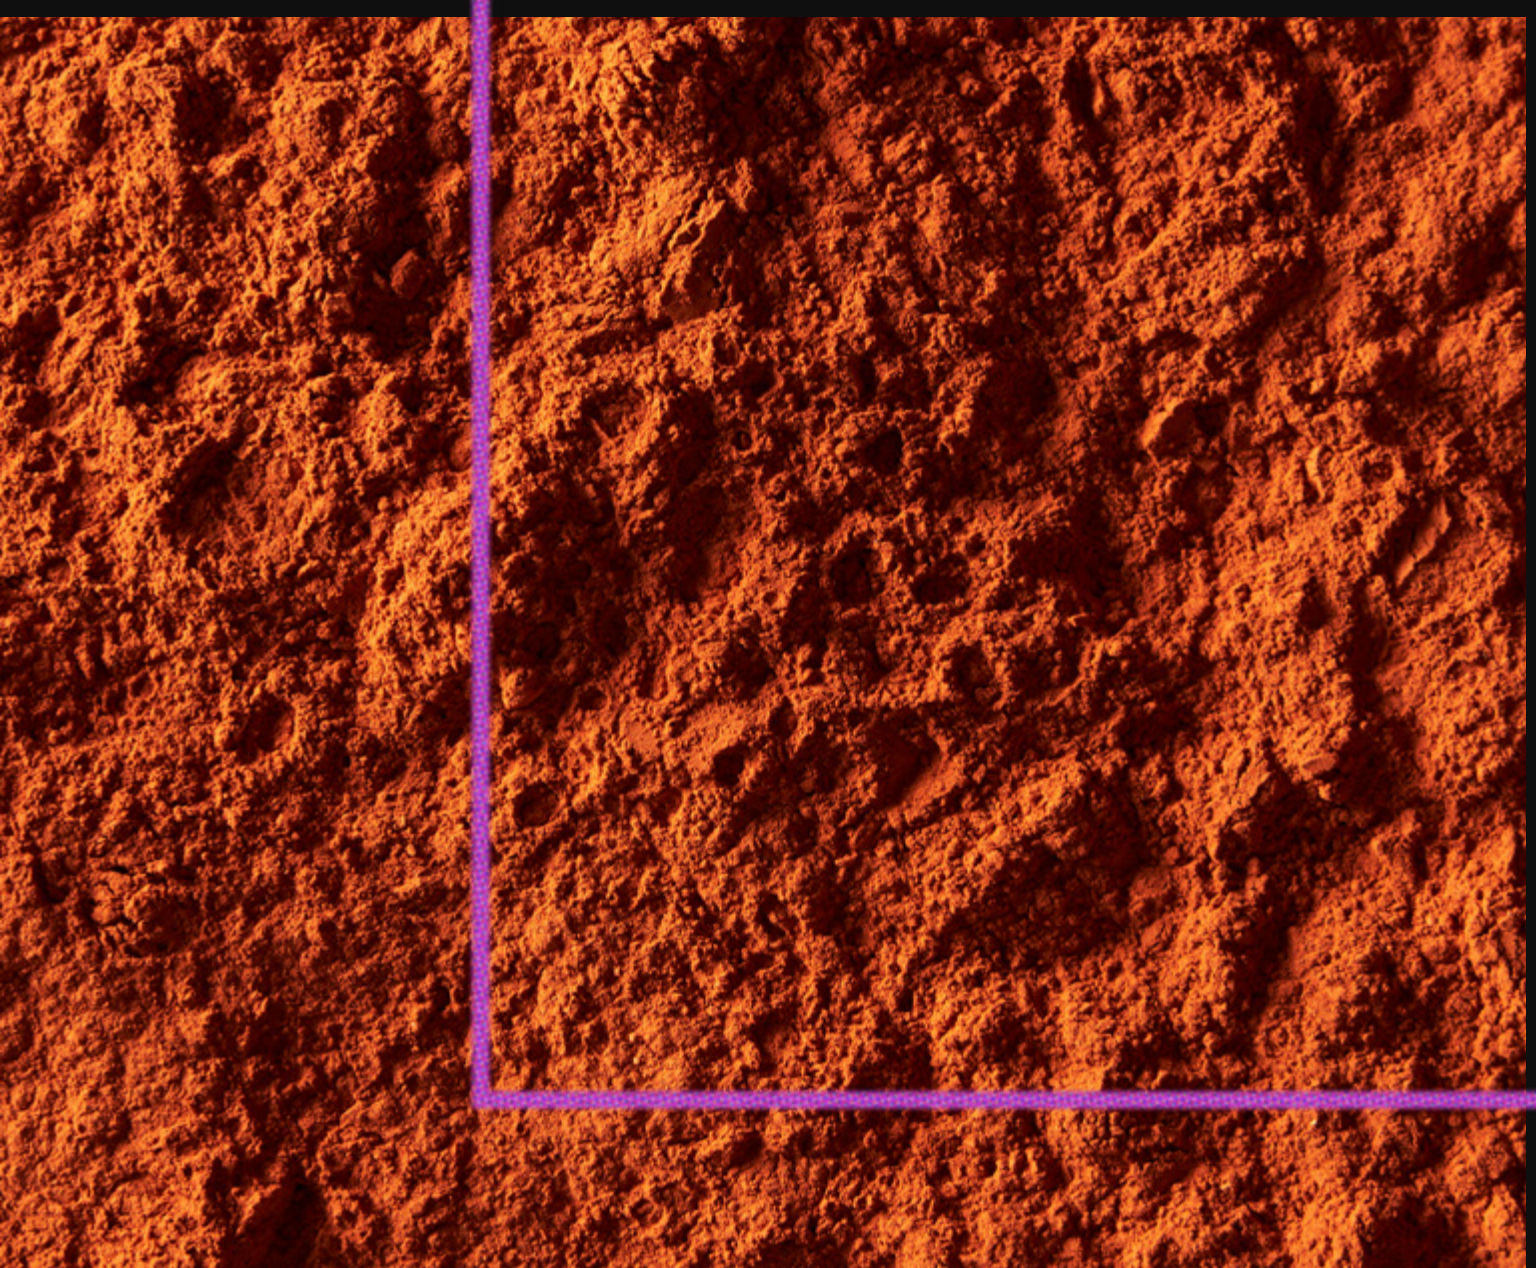

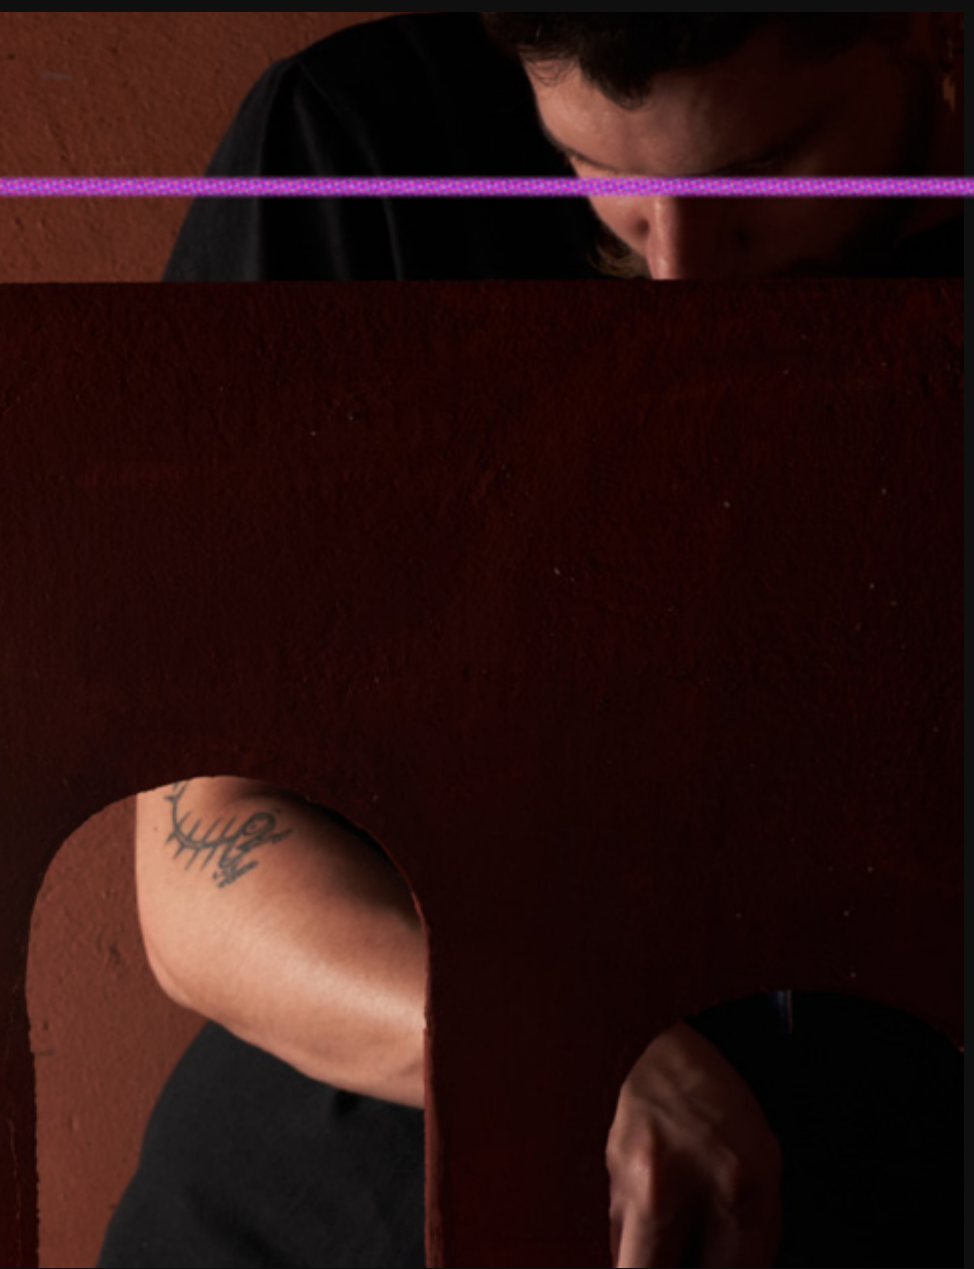

OTHER

VIDEOGRAPHY

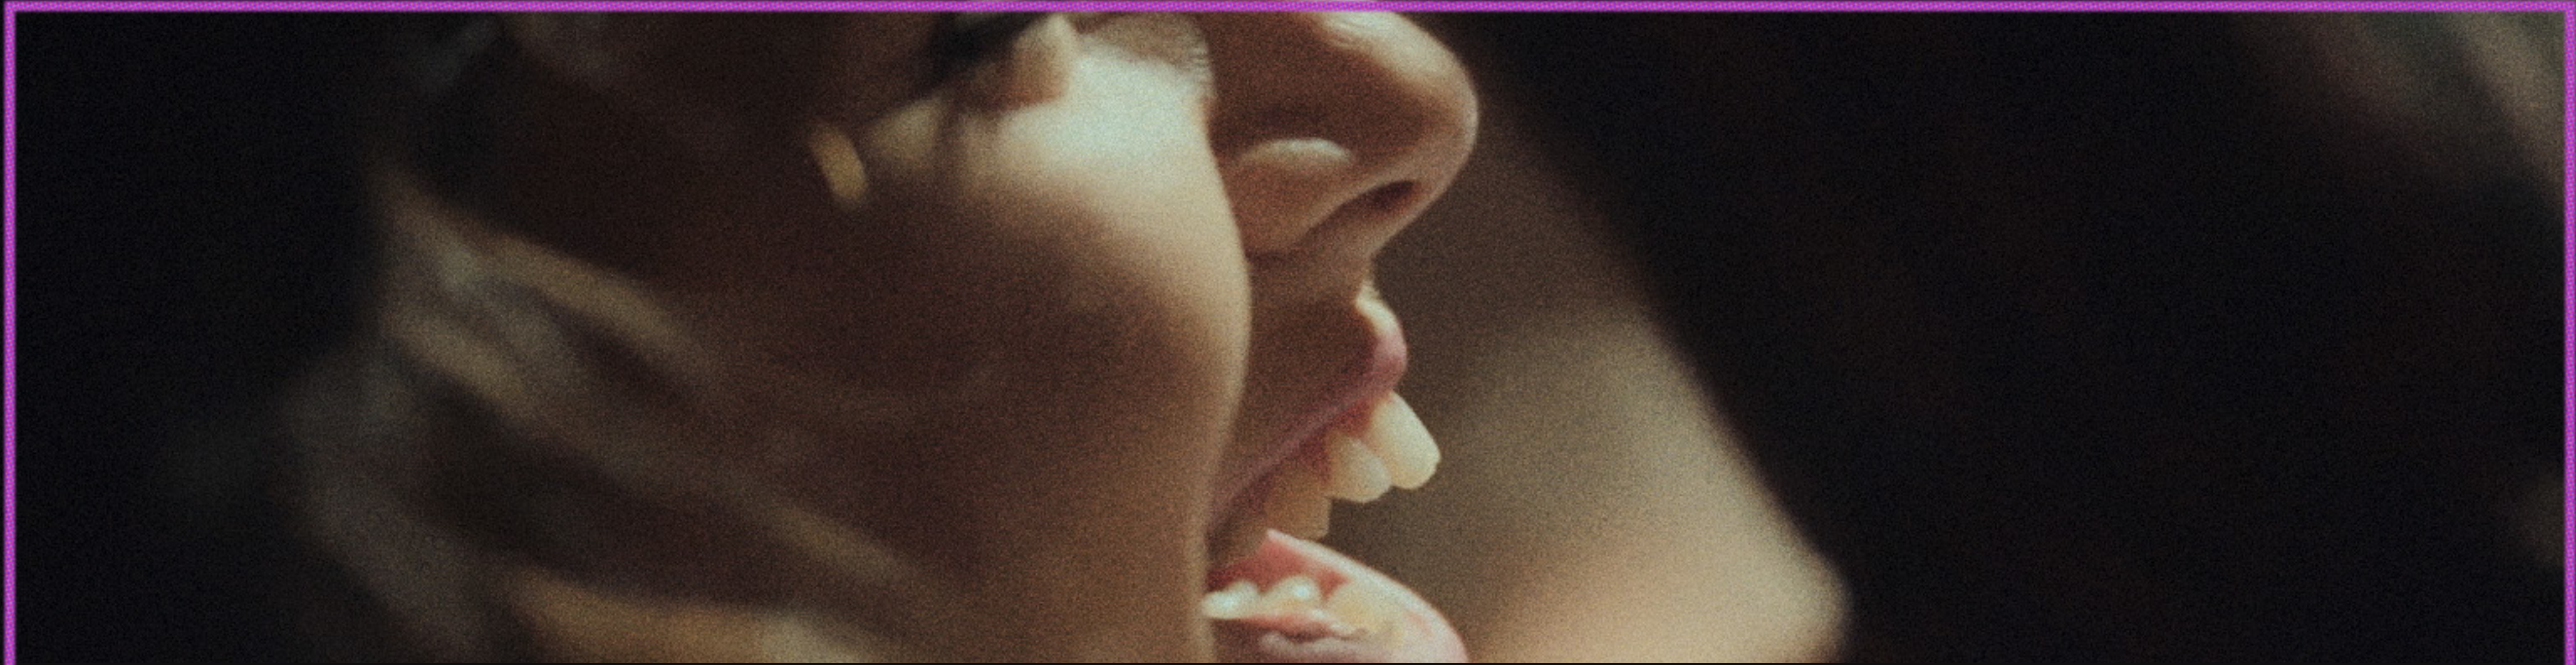

From the conception,
to visualization,
at execution.

The importance of videography is equal, if not superior today, to that of photography. The use of moving images for expressing concepts allows us to communicate sensations with different eyes that the customer wants to convey.

video

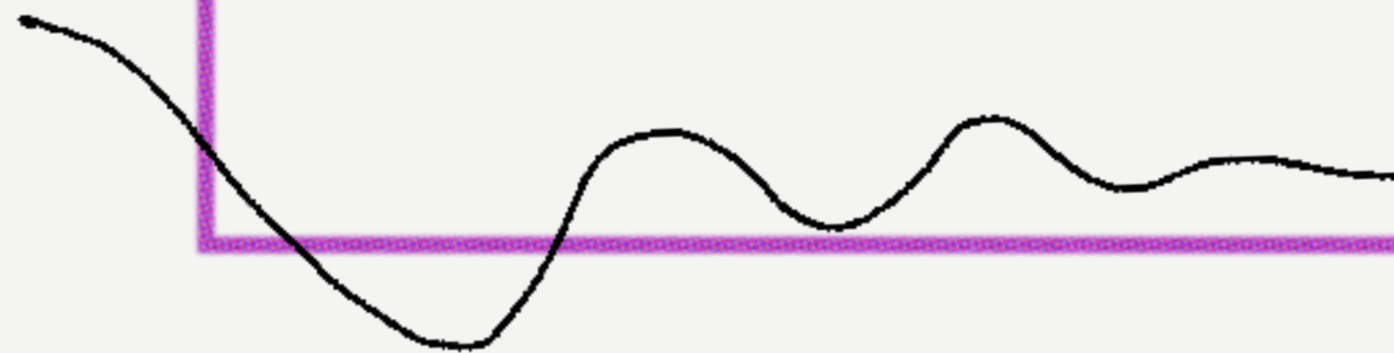

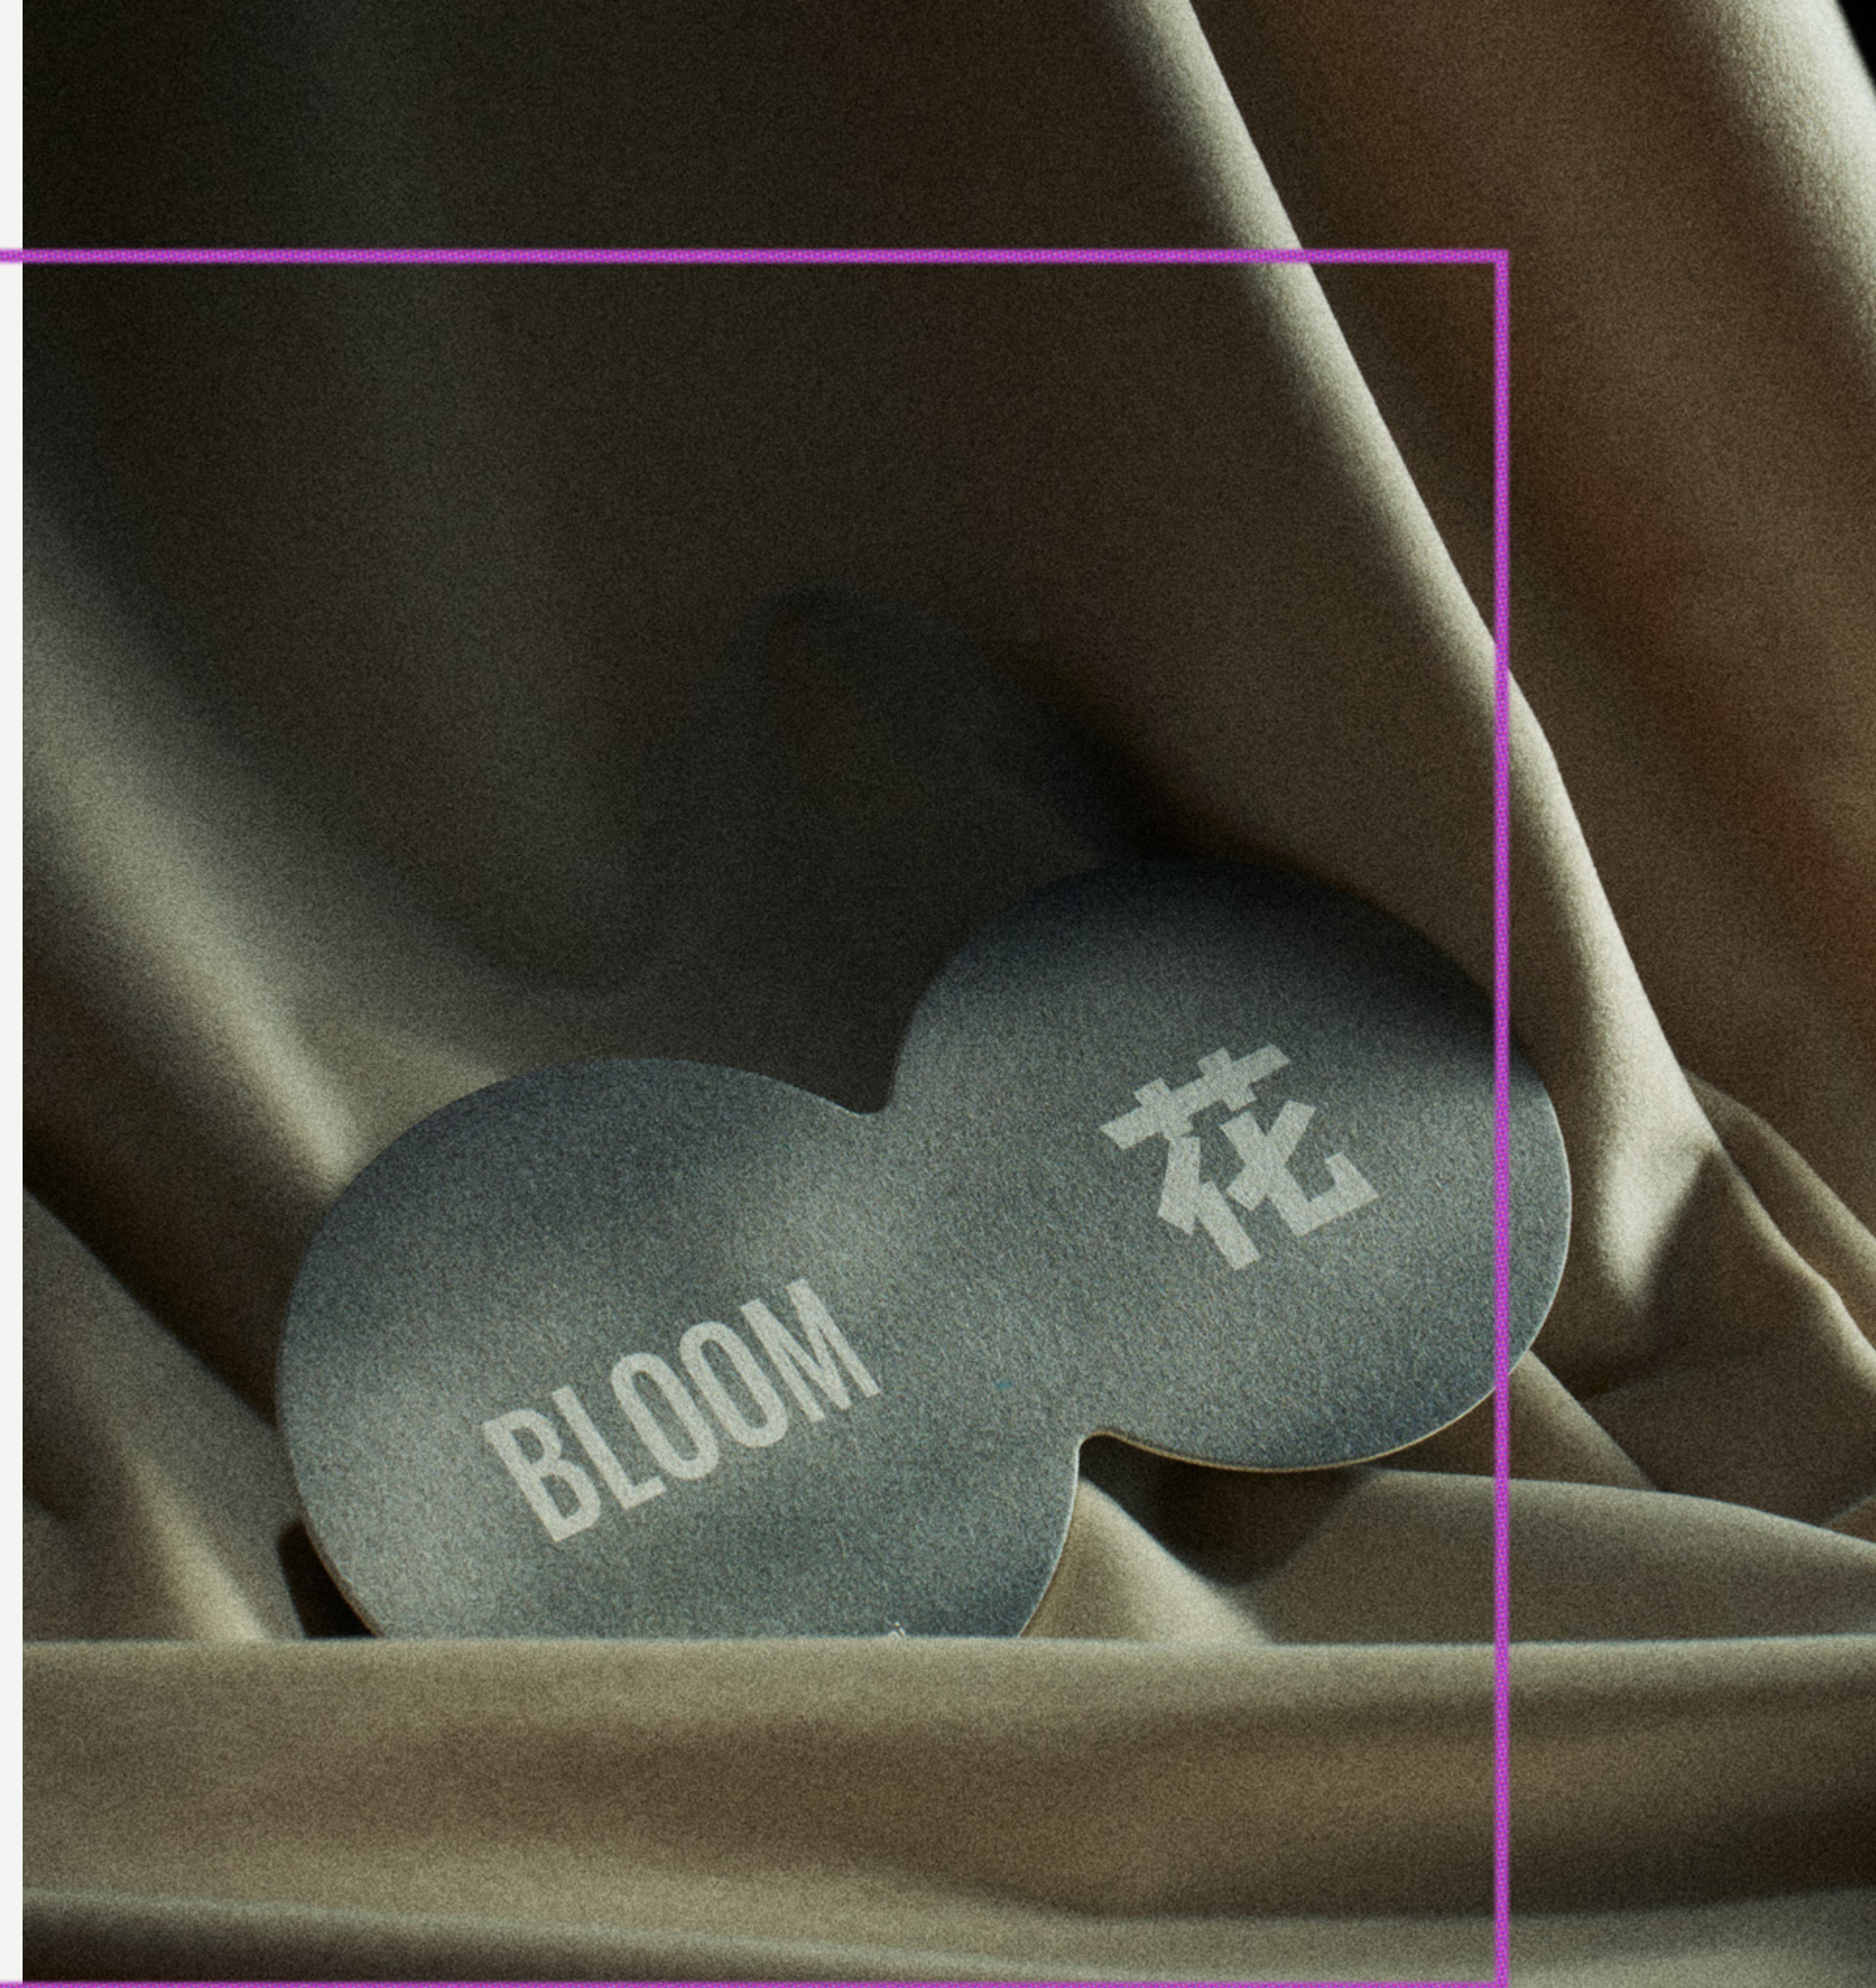

GRAPHIC DESIGN

Not just graphic design.

Communication passes through the visualization of contents. The decisive impact, however, is when you come into contact with the product. From a simple business card, to the interior design of yours new premises: our Studio acts as an intermediary in the dialogue between the Company and the Client for an all-round identity design.

OTHER

SOCIAL MEDIA

The right strategy
to find your audience.

Online presence is indispensable in a
evolving world! Whatever your goal,
the value of constancy and social
interaction should not be underestimated:
this is why we support you by creating a
personalized path.

THE STUDIO MAIGIU

A springboard for fresh Ideas and Innovative visual experiments.

Ours is more than just a workspace: it's a blast of creativity and innovation! The go-to spot for artists, designers, musicians, and creatives looking to take their creative vision to new heights.

We lean on Crush Studio for the freedom and pro-level project management. No limits!
